

WANT TO SEND MONEY TO INDIA  
FROM AROUND THE WORLD?

THERE'S ALWAYS A SOLUTION

## AxisRemit

AxisRemit Online is a convenient and secure online money transfer service that helps NRIs and other nationals send money to their loved ones in India.

This online money transfer service is currently available in the following 8 geographies:

- USA
- UK
- Euro-zone
- Australia
- Canada
- Singapore
- UAE
- Hong Kong

Customers can send money to India through any of the following modes:

1. ACH – Online money transfer facility for US residents
2. Online Transfer – Online Money transfer facility for non-US residents
3. Smart Wire – Traditional wire transfer method with added facility of fund tracking

Using AxisRemit has unparalleled advantages over offline methods. A few of them are:

- Competitive Exchange Rates
- 24 X 7 money transfer facility from the convenience of your home
- End-to-end tracking of funds
- Transfer to over 55,000 branches of nearly 100 banks in India
- Reliable & Prompt customer support
- Global security standards to ensure safety in online transfer

## Remittance Process

- Log on to [www.axisremit.com](http://www.axisremit.com) and click on "Register Now".
- Fill out a simple form that asks for your personal information and contact details. Also choose a login ID and password that you will use to access your AxisRemit Online account henceforth.
- Alternately you can also register by filling up the form available in any of our branches.
- Initiate the money transfer by clicking on "Send Money Now" and selecting the mode of transfer.
- Provide details of your beneficiary, the amount to be sent and any other relevant information.
- To complete the transfer, send funds by following the instructions given on the transaction summary page.

We would also encourage you to explore the exchange rate tool, informational content and avail of offers mentioned on [www.axisremit.com](http://www.axisremit.com) from time to time.

For any queries/concerns, refer to the FAQs section or feel free to contact [axisremit@axisbank.com](mailto:axisremit@axisbank.com).

## FAQs

- 1. What do I need to register for AxisRemit Online services?**

To register for AxisRemit Online, you need to have a bank account in any of the geographies mentioned above and basic KYC information like passport details.
- 2. Why do I need to give my passport details for registration from non-US countries?**

Basic passport details are required from KYC compliance perspective. These details are stored in the system in a secured format.
- 3. Do I need to have an Axis Bank account to send money to India?**

No, having an Axis Bank account is not mandatory to send money to India. You can send money to over 100 banks in India through AxisRemit Online. However, sending money to an Axis Bank account will speed up the process tremendously.
- 4. What are the Transaction Charges for using AxisRemit Online?**

There is no transaction fee for using AxisRemit Online. A minimal INR 25 will be charged per transaction as fund conversion charges. A fee may however be charged by your foreign bank account for sending money abroad.
- 5. What are the money delivery modes to my beneficiary in India?**

Money can be delivered to the beneficiary in India by any one of following ways:

  - a. Credit to Axis Bank & other Bank accounts that are part of the NEFT Clearing in India
  - b. Demand Draft (DD)
- 6. How long does it take for sending money through AxisRemit Online?**

It usually takes upto 2 working days from the day of receipt of funds to send money to an Indian account from non-US country. Sending money to an Indian account from US usually takes 3-4 working days from the day of receipt of funds.

**7. What is the exchange rate applied on my remittance?**

The exchange rate applicable to your remittance is based on the rate prevailing at 10 AM IST, on the day that your funds are converted to Indian Rupees.

**8. What does Times of Money mean?**

Times of Money (TOML) is AXIS Bank's alliance partner for the AXISREMIT Online service. TOML is part of the Times of India Group, India's largest media group and provides the technology platform and back office support to AxisRemit that facilitate smooth & speedy transmission of funds.

AxisRemit Online also offers you informational content, financial tools as well as offers to win exciting rewards on your transactions. Visit [www.axisremit.com](http://www.axisremit.com) for more details.
